

3-Way Ultimate Force Bag (Small Size) by Conan Liu & Royce Luo

Released in 2020, this **3-Way Ultimate Force Bag by Conan Liu and Royce Luo** is designed like a laundry bag, making it exceptionally versatile for close-up and parlor performers.

Its realistic look cleverly incorporates everyday objects into routines.

Limited stock available in small size (28cm x 39cm) - perfect for storing balls, cards, billets, markers, cubes, or even socks in your performances.

Enhanced by Conan Liu and Royce Luo, the **Ultimate Force Bag** offers expanded possibilities. Its double interlayers allow for two to three audience members to participate, each selecting a different forced item, giving you endless creative possibilities to design your own routines.

With a practical size and high capacity, this bag comfortably holds cards, billets, balls, marker pens, small toys, and cubes. It features a drawstring closure, adding a touch of everyday authenticity!

The potential of the **Ultimate Force Bag** is limitless. Its everyday appearance makes it a discreet and practical tool for both parlor and close-up performances.

Features:

- Semi-transparent laundry bag style.
- High capacity with double interlayers.
- Limitless possibilities for close-up and parlor performances.

Includes:

- Ultimate force bag in small size (28cm x 39cm) — 1
