

Final Choice by Miracle Lab

Final Choice

is a utility forcing tool created by Bright Don from Miracle Lab. Bright Don is a famous mentalist from China. The effect is very direct and clean. Magician shows four queens, the spectator makes a totally free choice, but he always gets the Queen of Hearts. Actually, it's a force.

Final Choice is not only a routine, but also a very clever forcing tool. You can perform this routine with a lot of different presentations. Any presentation that fits the forcing technique works. The only limitation is your imagination.

Advantages:

- Very direct and clean force.
- Easy to handle, nearly automatic, even beginners can do it in only one minute.
- Strong extensibility, you can do it with various presentations.
