

Jumble Number Streamer

The magician shows a black scarf with the numbers from 1 to 6 printed on it in a disorderly manner. He shakes it and, visibly, the scarf will now show the ordered numbers from 1 to 6!

- Suitable for any kind of show.
- The scarf, made of fabric, is approximately 105 cm long.
- Operation requires no skill. The effect can also be presented in reverse, from a scarf with ordered numbers to a disordered one.
