

ULTIMATE AS MAC DONALD by Jean-Pierre Vallarino

This trick offers two versions of a magic classic: the original version and a modernized version by Jean-Pierre Vallarino, who reinvents the presentation for an even more impressive impact.

The Original Version: A Great Magic Classic

In this trick, you will discover the original version of this great magic classic. It has captivated and amazed generations of spectators with its ingenuity and visual impact. You will be immersed in the traditional world of magical illusions, where every movement is carefully crafted to create a memorable experience.

A Version Reinvented by Jean-Pierre Vallarino

Jean-Pierre Vallarino, a renowned master of the art of magic, has reimagined this iconic routine. In this revamped version, he preserves the core principles of the original while adding his own personal, modern touches. The subtlety of his adjustments makes this version unique and highly elegant.

A Reinvented Presentation for Maximum Impact

The strength of this new version lies in how Jean-Pierre Vallarino has completely rethought the presentation. Every gesture, every moment of the trick, is designed to maximize wonder and surprise. Thanks to this innovative approach, you will discover a version that is both true to its roots and deeply modern.

The backs and faces of the cards are visible throughout the routine, increasing the impact of each transformation. Each metamorphosis is performed in a different way to keep your audience engaged and amazed. The transformations become fluid and beautifully choreographed.

With Jean-Pierre's techniques, you can now leave the cards for examination. This new version is highly accessible and poses no difficulty for amateur card magicians.
