

Super Holder (Standard) by JT

Super Holder

is the ultimate holder created by JT Magic team. For many years, JT Magic team wants to create a kind of holder which can holds the objects very stably and safely. At the same time, the holder should be very easy to use. After many years' live performance, finally we created the Super Holder.

Super Holder is available in two sizes: standard size and large size. It can hold almost any object. Suits for almost any performing situation and any costume. The structure of it is very flexible, any movement can't affect its stability. You can sit, run or even jump with it. It is equipped with an extension rod that can be adjusted in length as desired.

Advantages:

- Can hold almost any kind of objects.
- Super stable, safe and very easy to take off the objects.
- Suits for almost any costume: suit, T-shirt and so on.
- Perfect for almost any situation: stage, parlor and close-up.

Clip Size (Width):

Besides of the size of the clip, there's no difference between the standard size and the large size.

- Standard Size: 3.8cm
- Large Size: 6.3cm
