

## **LANCE MOUNTAIN DOUGHBOY SKATEBOARD PLAYING CARDS by FULTONS**

**Lance Mountain.**

**Skateboard legend, artist, and original member of the famed Bones Brigade. Lance has been doing the art for his own skateboards since the 1980s...and lately has been drawing classic skateboard graphics using his legendary character "doughboy" as the star.**

**Every court card in this deck is Lance's take on skateboard art history. You will find Lance's renditions of Tony Hawk, Jeremy Klein, Ray Barbee, John Lucero, Matt Hensley, Natas Kaupas and many more.**

**The back design is a completely new illustration using Lance's first pro model for Variflex from 1980 to celebrate his 60 years. Don't miss this completely unique deck by one of the legends of skateboarding and art.**

- **Illustrated completely by Lance Mountain.**
- **Produced by Fulton's Playing Cards.**
- **Embossed tuck box with UV gloss elements.**
- **Printed in China on cardistry playing card stock.**
