

Bicycle Chinese Zodiac (Snake) by US Playing Card Co - Pokerdeck

In China, twelve kinds of animals are used to keep track of the years, date and count the animal signs of each person. Each year has an animal named after it. **Bicycle Chinese Zodiac** inspired by the murals in the Mogao Grottoes of Dunhuang, the twelve zodiac signs are combined with traditional Chinese musical instruments.

- Zodiac card faces - the appearance of twelve kinds of animals.
- Air cushion finish
- Made in USA
