

Cupcake 2.0 (Gold Metal) by Milo & Bacon Magic

Cupcake Pro Gold Edition

is the latest version of the versatile Cupcake Pro, designed by Milo and produced by Bacon Magic. Featuring a radiant gold finish, this cup is perfect for both coin and ball routines.

The Cupcake Pro Gold Edition combines the functions of a Chop Cup and Slot Box, allowing for smooth transitions and flexible performances.

Its compact size and striking appearance make it an ideal tool for close-up magicians who want to add elegance and versatility to their act.

Includes:

- **Gold Edition Cupcake Pro cup.**
- **28mm red magnetic knitted ball.**
- **Two 28mm red knitted balls.**
