

Cookie Box by Pilato

Introducing **Cookie Box by Pilato**, the tastiest and most visual magic game you've ever seen!

Imagine having a regular box of cereal...now, just by putting it in a magic case and giving it a twist, the cereal box changes color and flavor in front of your audience's eyes! This spectacular transformation effect is stunning and completely easy to perform. And the best of all is that you can make up to FIVE different changes, leaving everyone speechless!

What does Cookie Box include?

- Five magical boxes of cereal
- A special case to perform the trick
- Assembly and presentation instructions so you can perfect your magic

Cookie Box

is a unique game that combines visual magic and the power of transformation. Not only will you see the color changes, but you will also experience flavor changes, taking the wonder to another level. This trick is ideal for all levels of magicians, from beginners to professionals.

Don't miss the opportunity to impress your audience with a truly spectacular effect. **Get Cookie Box now!**
