

Good Pals Halloween Tales Vol. 2 (Orange) - Pokerdeck

Orange Deck:

Good Pals Halloween Tales

is a fully custom deck of cards featuring Halloween art on every card! We've added more color to our 2nd volume of Halloween Tales, starting off with Orange, a classic Halloween color.

This is an edition of 500 with a numbered seal.

Not only do our court cards feature Halloween art, this also transcends to our number cards which keeps the Halloween spirit alive. Hearts and diamonds are traditionally red but have been changed to a pumpkin orange for our Halloween series.

All of our aces feature special attention. Not only are they all enlarged, but the Halloween art is expanded upon and brought to life further. For those afraid of spiders, this might not be the deck for you!
