

## Card Thrillers by Paul Gordon - Buch

NEW blockbuster card book: Paul Gordon presents **Card Thrillers**.

If you loved Card Startlers and Card Foolers, you'll adore **Card Thrillers**. It contains 160 NEW doable powerful (and doable) card routines and boasts 288 jam-packed pages. In line with Paul's other books, it's a glorious cloth-covered saddle-stitched top-quality hardback. It truly is jam-packed with goodies. The promo video/trailer shows twenty-one full unedited routines from the book. Paul is the only creator to offer such an honest and detailed promo. Paul Gordon's main publishing stipulation is that each book is better than the last. With Card Thrillers, he truly believes it to be his best. It contains one doable effect after another. Most of the tricks are described in just one or two pages because Paul writes clearly but concisely. The book also boasts a sleights section.

Over the years, Paul's performing and creative skills have received plaudits from the greats such as; Jeff McBride, Richard Sanders, Boris Wild, Dan Harlan, Jim Sisti, Harry Lorayne, Aldo Colombini, Roy Walton, Alex Elmsley, David Regal and more. If you trust these names, check out Paul's work...
