

Breakthrough Playing Cards

“GROWTH COMES IN TIMES OF DARKNESS.”

Breakthrough emphasizes that theme that even through dark times, there can be growth. Breakthrough is printed by USPCC on their Classic Bicycle Stock with Air Cushion Finish. The back design features a shattered lightbulb with a flourishing sunflower growing out of it. The courts are recolored to an elegant dark green. The sunflower seed jokers are similar to each other while one has a hidden reveal. There is a duplicate eight of clubs and a double backer with a maroon back.
