

The Time Warp Wallet by Jarvel Magic & David Solomon

This iconic wallet, originally crafted by Mr. David Solomon, is back with modern upgrades. Known for its versatility and craftsmanship, this wallet sold out 14 years ago. Now, with Solomon's permission, we present an enhanced version for today's magicians.

KEY FEATURES:

- **Premium Quality:** Made from high-quality, authentic leather, this wallet doubles as a fully functional credit card holder.
- **Sleek New Design:** The new version has been designed slimmer than the original, with an additional side pocket for extra storage.
- **Versatility:** Easily convert the wallet into a Himber's Wallet, expanding its capabilities and allowing for even more creative performances.
- **Mentalism Powerhouse:** It can be used as a peek wallet for mentalism routines.

Don't miss out on owning this updated version of a legendary magic tool!
