

Instant production tray - Only the tray

The magician displays an empty tray. Instantly and magically, some silks appear on it. A moment later some sponge balls make their appearance on it. This is repeated twice more for a total of four magical productions.

- The tray measures cm 40,5 (l) x 3,5 (h) x 30,5 (w).
- The production items are not included, but can be purchased separately.
- The tray can be used to produce items such as silks, sponge balls, latex items, spring flowers (ones with a 19 cm diameter are ideal).
