

Strobus - Pair White

Inspired by Ibiza the world's capital of parties and night clubs where light shows are truly spectacular and George performs since years, Strobus was conceived. This is the ultimate light trick you can combine with classic light effects and lasers and many other applications, limited by your imagination!

Designed for professional magicians, beginners or visual artists. Thanks to its unique in market activation mode, it offers new and unique possibilities.

With thousands of combinations and different uses, it's the perfect trick to carry with you anywhere anytime!

Dont miss yours!
