

2024 Cardistry Con of China Holo by Bacon Magic - Pokerdeck

The **2024 Cardistry-Con of China Playing Cards** is a premium, limited-edition deck designed for collectors and cardistry enthusiasts.

With holographic foil on pearlescent paper, the deck shines differently yet beautifully under different light angles, offering a visually stunning experience.

- Features Wuhan's iconic Yellow Crane Tower and hot dry noodles, with hidden details revealed at certain angles.
- Redesigned Joker, Ace of Spades, and face cards, featuring intricate holographic edges on pips and suits.
- Only 666 decks produced, with fewer than 200 available.
