

Martial Arts (Sky) by King Star - Pokerdeck

Based on martial (Kung fu), we have newly designed and produced a Chinese-style ink painting playing cards. The standard version of **Martial Arts** is limited edition. In the card design, the dreamy interweaving between yin and yang fish and ink is embellished with cold stamping technology, forming a vivid composition of yin and yang pushing each other, virtual and real, which can produce a strong effect no matter how the fan is opened at any angle. ribbon effect. The restrained luxury is amazing.

- Original hand-painted character elements
- Limited to 5,000
- German black core paper
