

## **Michigan Euchre by Midnight Cards - Pokerdeck**

### **MICHIGAN EUCHRE DECK:**

**Popular in many parts of the world, especially the American Midwest, Euchre is a trick-taking card game most commonly played with four people - two teams of two.**

**The house-divided MICHIGAN Euchre Deck includes two full Euchre Decks inside one Tuck Box (Green / White and Blue / Yellow). It's printed by Legends Playing Card Co., and it utilizes their exceptional classic finish.**

**The Back Cards feature a map of Michigan and water patterns that are meant to represent the Great Lakes. Each green / white and blue / yellow set of face cards includes the full suits of nines, tens, Jacks, Queens, Kings and Aces (2-8 and Jokers are not needed in most Euchre games).**

**The semi-custom Courts incorporate color accents from their matching back cards. The face cards are extremely functional and provide the highest level of playability. Also included are two rules cards and four custom score cards. You just need a dime as your points marker. No need for boring fives as makeshift score cards in the MICHIGAN Euchre Deck!**

**The tuck box features a ripped and torn green / white vs. blue / yellow design that's printed in 4-color process. The MICHIGAN Euchre Deck is perfect for your next Euchre night or tournament!**
