

The Eye of the Ocean Malakim (The Messengers) - Pokerdeck

The Eye of the Ocean:

Part II is the continuation of the archaeological adventure that began with the original series in 2021. This deck of cards showcases intricate designs inspired by the mysteries of the sea and celestial navigation. Featuring luxurious metallic foils, detailed illustrations, and an elegant fusion of antique maps, marine symbolism, and imaginative storytelling, each card is a work of art. Perfect for collectors and card enthusiasts, The Eye of the Ocean is more than just a deck-it's an immersive adventure wrapped in exquisite craftsmanship.
