

Tavern on the Green: Red Edition by Theory11

A NEW limited edition of Tavern on the Green, with a rich red back adorned with regal gold foil.

Limited Edition - Breathtaking red and gold foil

Shielded in red and gold foil on a vibrant Red paper, this new limited edition of Tavern on the Green Playing Cards feature some the most intricate details on a tuck case we've ever produced. Inside and out, every detail shines. Exquisite embossing and ultra-rich foil create an aura that only belongs to Tavern.

A Work of Art - Inside and out

Featuring fully custom design by Kevin Cantrell, including playing card backs, aces, jokers, and court cards - with striking gold foil on the card backs and faces.
