

## Half Dollar Coin Box Set (Deluxe Edition) by Bluether Magic and Raphael

The **Coin Box** is a timeless icon in the world of coin magic, made legendary by magicians like Okito and David Roth, who built countless classic routines around it.

Recognizing the enduring significance of the **Coin Box**, Bluether Magic collaborated with renowned coin craftsman Luciano Chan to thoroughly study every David Roth routine, ultimately crafting the finest version of the **Coin Box**. Our design enhances the classic Roth-style Coin Box with improved precision, control, and versatility, offering magicians an unparalleled tool for their craft.

### KEY FEATURES:

**QUALITY YOU CAN TRUST:** Expertly crafted from high-quality brass, this **Coin Box** is finely processed to deliver an exceptional feel and texture. It stays true to the classic David Roth design while offering significant improvements and modern refinements, ensuring durability and elegance in every performance.

**VARIETY OF OPTIONS AT YOUR DISPOSAL:** The set comes in 2 different size options, the **one dollar-sized and the half dollar-sized**, designed to give you the flexibility of tailoring your setup to perfectly meet the needs of your performance.

Each set includes four specialized coin boxes-Okito, Boston, Slot, and Solid-along with three matching covers and a special Stone Box, perfect for adding a stunning finish to your performance.
