

## Redemption by Red Nist - Buch

Discover the spellbinding world of Grenoble magician Red Nist, a virtuoso of magic from an early age.

Passionate about card magic, he masters subtle, refined manipulations with finesse. But what really sets him apart is his ingenious use of psychology to create real miracles that mystify even the most expert magicians.

In his book, Red Nist unveils his creations, which stem from a timeless quest for purity, where gestures and words create simple, captivating effects, giving that magical feeling we all love to feel. Beyond the effects and methods, you'll discover the stories and anecdotes behind each trick, as well as the artist's creative process, his thinking and the evolution of his tricks. You'll discover the subtle art of manipulating cards and minds, where psychology is used to change the spectator's perception and techniques are kept to a strict minimum, with the unique goal, to wonder the audience. Join us for a unique experience and let yourself be carried away by the fascinating art of Red Nist.
