CUT by Alexis Touchard

Alexis Touchard presents you his new trick , an outstanding visual reveal of a Card value or a geometric shape cut in a metal plate!!
This is an everyday carry trick , with 4 ways to reveal and 3 different reveals.
An example of reveal : Imagine, your spectator chooses a Card or a geometric shape , you show him a whole metal plate , you hit the metal plate with a random Card, instantly and visually the Card value is cut through the metal plate, at the end the metal plate is examinable.

This is:
- Easy to do;
- Four ways to reveal;
- Three possibilities of reveal;
- Everyday carry;
- Visual.
