

Death Knight (Abyss) by Evokad - Pokerdeck

Death Knight (Abyss) Playing Card

is limited to 3000 decks worldwide, produced by Evokad, printed by KSPCC.

The journey begins in the Abyss, where darkness reigns supreme. Here, the Death Knight is a wanderer lost in an eternal void, surrounded by the twisted remnants of forgotten dreams and shattered hopes.

The Abyss Edition captures this bleak and haunting chapter of the story. Intricate designs in icy hues surround the figure of the knight as he struggles against the pull of darkness, fighting to keep his sense of purpose intact. This edition embodies the themes of despair, isolation, and inner conflict as the Death Knight faces his inner demons.
