

Colour Changing Cups by Leo Smetsers

After four years of hard work, it's finally here: **The Colour Changing Cups** is complete! Together with Henk de Haas, we've made many changes over the past few years, and now we can proudly say that we've created something truly special.

Holland Tricks proudly presents **The Colour Changing Cups by Leo Smetsers** - a revolutionary take on the classic Chop Cup routine.

Experience a routine like no other, where the balls not only reappear but also magically change color, and even the cups transform before your eyes!

Packed with jaw-dropping surprises and eye-popping visuals, this routine is designed to leave your audience in awe.

As a bonus, the accompanying video includes Leo's brilliant 3 Shell routine, expertly taught for you to master.

My gratitude goes out to the people who have helped me with this: Henk de Haas, Chris Wood, John Anders, and Rini Popelier.
