

Yellow Lecture Notes by Mark Lemon

My Lecture Notes booklet from 2023.

Printed in high quality, all routines taught in depth and additional notes shared throughout.

- Checksum
- 1369 Overture
- The Withered Hand
- St Prime
- Thoughts for Your Pennies
- The Rainbow Road

The routines include:

- My handling and approach to a which hand effect.
- A fun twist on a classic routine culminating in a drawing duplication.
- A stunning and fooling playing card routine.
- A novel and clean routine utilizing my go-to handling of one-ahead.
- An anytime anywhere spectator as mind-reader effect.
- A powerful number divination that covertly obtains the spectator's birthday (iOS 17 recommended).
