

Pair Up by Nikolas Mavresis

Turn a fun and interactive game into a memorable magical experience! In **PAIR-UP**, you introduce two packets featuring the names of famous duos - legendary pairs known for their unique connection. Two spectators are invited to test their compatibility by playing the game, but hilariously, they fail to match any pairs ... except the final one: **YOU & ME**.

The magic begins when the game's description card reveals a heartfelt poem that perfectly predicts this outcome. Just when the spectators think it's over, the kicker hits: **all the other pairs magically match too!**

Comes complete with all necessary cards, an in-depth explanation video, plus an extra prediction card for a bonus routine that delivers a surreal and unpredictable finale!

PAIR-UP is the perfect blend of comedy, connection, and magic - ideal for any close-up or parlor performance!
