

Ninja + Coins Created by Matthew Garrett

Take your linking rings routine to the next level with **Ninja+ COINS** created by Matthew Garrett.

Ideal for both professionals and beginners - with clear tuition.

This is visual magic at its finest and brings the classic linking rings bang up to date.

Ninja+ COINS allows you to do all the same great moves and routines possible with Ninja+ and much more:

- Visually make coins appear.
- Push a hole right through their center.
- Link & unlink them one at a time to a ring.
- AND have them immediately examined!

"Ninja+ is one of the greatest advances in Linking Rings magic in the past 100 years."
