

Overplay MegaJam (Designed by Harapan Ong, Wen Xiu, and printed by Bacon Magic - Pokerdeck)

Celebrate the spirit of Singapore's premier magic event with this exclusive, limited-edition deck-designed in collaboration with renowned close-up magician Harapan. Inspired by the dynamic magic and cardistry community, this deck fuses sleek Bauhaus aesthetics with performance-ready functionality.

Key Features:

- **Premium Packaging:** The deck comes in a high-quality, textured specialty paper box that elevates both its visual appeal and tactile feel.
- **Distinctive Design:** The Bauhaus-inspired card back features geometric color blocks with a subtle vintage finish. A hidden one-way design element enhances magic routines by streamlining certain sleights.
- **Custom Elements:** Standard card faces have been refined-number fonts and color schemes are subtly adjusted to harmonize with the overall design. A custom Ace of Spades, a double-backer, and an extra Queen of Hearts add unique versatility for both magic performances and cardistry.
- **Advanced Craftsmanship:** Utilizing BPC's acclaimed Air EI printing technology, the deck benefits from an upgraded ink coloring process and pressed edge locking, ensuring thinner, resilient cards that shuffle flawlessly.

Whether you're a collector or a performer, the **Overplay MegaJam 2024 Commemorative Deck** is the perfect fusion of artistic design and functional excellence-a must-have for anyone passionate about magic.
