

## Gold Dust (Softbound) by Paul Gordon - Buch

Paul Gordon's "neo-classic" highly acclaimed 2012 book **Gold Dust** was a compilation of some of his best work created and published between 1979 and 2009. By 2018, all two-thousand hardback copies had sold. Since 2018, we've had hundreds of requests for a reprint; so, here it is!

This time in a limited-edition softback. It contains 150 powerful routines including some well-known PG tricks like; Twin Peaks, Hellman's Aces, Easy Ace Estimation, Shocked Aces, The Ultimate Transposition, Diminishing Not Likely, Twister, Jeepers Creepers, Spectrum, Triple Kick Monte, The Sting, OMG, Knock Them Dead, The Muldoon Match, The Eight Of Diamonds Trick, The Amazing Four-Card Trick, Ambitious Classic Variation, Millennium Collectors, The Corner of Piccadilly and Paul's Head To Head Poker. The skill level is from easy to semi-advanced.

There are NO full-deck set-ups, passes, false deals, angle moves, lapping or memorized deck effects within. Just pure gold!

**Gold Dust** really is chock-full of powerful doable card magic. 352 pages of pure joy!
