

The Classic of Mountains and Rivers Collectors Set by King Star - Pokerdeck

This phenomenal set from King Star is the evolution of the original The Classic of Mountains and Rivers V1 decks into something even more breathtaking. Within the luxury collector's box can be found both the standard (Eagle) and gilded (Deer Lord) decks.

Both decks in the box set come in King Star dual-layer tuck boxes made from premium matte stock with gorgeously detailed foiling and laser die-cuts.
