

Stellar Dread Virus Standard Edition - Pokerdeck

A captivating deck of puzzles and collectible treasures.

Embark on a Galactic Odyssey with Stellar Dread Playing Cards!

Void Tuck Box

The void tuck box is designed with precision-engineered vent lines, mimicking the heat dissipation system of a spaceship. Enhanced with foil accents and intricate embossing, it truly captures the atmosphere of Stellar Dread.

Card Back

The card backs showcase the ominous hatch door, a gateway to the unknown, alongside a detailed depiction of the spaceship EDENBETHEUS, the last refuge of humanity. The intricate design captures the haunting essence of the ship as it drifts through the void, concealing both salvation and terror within its walls.

In the Virus Standard Edition, you'll meet the crew before the infection took hold-key figures like the resolute captain and the humble janitor, all unaware of the horror awaiting them.
