

Coin Tray Deluxe by Viking Mfg. Co.

DELUXE COIN TRAY-

Silver Powder Coat.

Magically multiply coins in the spectator's hands.

Effect: The performer will use a beautiful round metal tray to cause money to multiply. Simply count six or more coins onto the tray. Dump them into the spectator's hands and watch them multiply. Can be used for 'coins across routine'.

Also cause vanished coins to reappear in the hands of a spectator.

Will work with tokens, keys (Bank Night effect; Keys to Baldpate effect -as suggested by Tim Ellis, etc.), medals, US fifty-cent coins (or similar sized coins) and poker chips as well as a stick of gum! Think about that one.

Finest Viking quality complete with George's comedy performance routine.

Made with durable silver powder coat finish, no polishing needed.

Guaranteed the finest quality. Will last a lifetime. For U.S. fifty cent coins or similar sized coins.
