

Neko Samurai (Mini Blue) - Pokerdeck

Step into the charming world of **Neko Samurai** - now in a **mini size!** The **Mini Blue Edition** brings the same artistry and craftsmanship as the standard **Neko Samurai** deck but in a compact, travel-friendly size. Perfect for collectors, on-the-go games, or simply displaying alongside the standard deck, the mini version adds a playful twist to the collection.

Each card features the same intricate designs inspired by the elegance of Japanese ceramic art and the spirited tales of **Neko** (cat) warriors. The delicate blue-and-white patterns reflect traditional porcelain craftsmanship with modern touches that blend tradition and whimsy.

- The deck, crafted from high-quality 330gsm German black-core embossed card stock, comprises 56 playing cards with a smooth butter finish.
- The tuck box is crafted from high-quality cardstock and beautifully designed with a combination of hot foil accents and embossing. These details highlight the intricate artwork, giving the box a refined texture.
- Size: 43mm x 63mm. Approximately 50% smaller than the standard deck, making it perfect for portability and display.
- Designed by Neversleep Co.
