

Neko Samurai (Red) - Pokerdeck

Step into the world of **Neko Samurai**, a playing card collection that brings together the beauty of Japanese pottery and the stories of Neko (cat) warriors. Each card is thoughtfully designed, drawing inspiration from the elegance of Japanese ceramic art and the spirit of samurai cats.

The decks reflect a balance of tradition and playfulness, offering designs that feature delicate red-and-white patterns inspired by classic porcelain with subtle modern touches. Our goal was to create something that feels both familiar and fresh, allowing you to enjoy a piece of art and craftsmanship in your hands.

- The deck, crafted from high-quality 330gsm German black-core embossed card stock, comprises 56 playing cards with a smooth butter finish.
- The tuck box is crafted from high-quality cardstock and beautifully designed with a combination of hot foil accents and embossing. These details highlight the intricate artwork, giving the box a refined texture.
