

## Sitta Circle Blendo

Effect 1: The magician shows 3 silks of different sizes and colors and magically transforms them into a large silk with three "circular" colors. The audience will think that you have managed to "fuse" the silks into a fantastic blendo!

Effect 2: The magician shows a large silk of three "circular" colors and magically transforms it into 3 silks. The audience will think that you have managed to "split" the large silk into 3 silks of different sizes and colors!

- 100% pure silk.
- It is an original Sitta product and the quality is excellent.
- The silks needed for the effect are provided: the special 70 cm blendo with circular colors - The 60 cm yellow silk - The 45 cm lemon yellow silk - The 30 cm green silk.
