

## Smart Writer by Ma Arif

This is not just an ordinary whiteboard, this is a mentalist tool that can duplicate writing, images, symbols, or anything written by the audience. No carbon paper, no special markers, and very easy to use!

**Smart Writer** works automatically and is very easy to do!

### Imagine this

The audience writes or draws something on a piece of paper. The paper is removed from the black board, and you as a magician, can find out what the audience wrote or drew. The board can even be shown, and can be checked by the audience

### With Smart Writer, you will receive:

- Black whiteboard gimmick
- Two sheets of plain white paper
- Black gimmick storage wallet

Now you can do close-up mentalist magic or stage magic, you can do it easily with **Smart Writer by Ma Arif**.
