

## **PR3DICTION BLUE by Ezequiel Ferra**

### **PR3DICTION**

**is the perfect opener for your SHOW!**

**A magical and fun routine where the spectator decides which way the show starts! A freely selected item by the audience matches your prediction and then you transform it into a real object, ready to use!**

**PR3DICTION allows you to perform various routines, giving you the possibility to start your show with cards, sponge balls, coins, ropes, etc! Even a different way to present the classic "Invisible Deck"!**

- **Super easy to do!**
- **Practically instantaneous reset**
- **You can do it for live or online audiences!**
- **You receive all the necessary elements and ready to use out of the box.**
- **You can choose blue or red cards model**
- **Combinable with invisible deck**
- **You can perform it as an opening effect or in the middle of your routine.**
- **You can start your show with another element if you wish.**
- **Online tutorial explaining details and different routines.**

**Note: Does not include deck of cards.**
