

988 Lifeline by EmilySleights52 - Pokerdeck

In honor of September being National Suicide Prevention Awareness Month, I created a deck of cards promoting the **988 Suicide & Crisis Lifeline**.

If you or someone you know is struggling or in crisis, help is available. Call or text 988 or chat 988lifeline.org. Caring counselors listen and provide free and confidential support 24/7.

For this special deck edition playing cards, I chose to feature Forget Me Not flowers because those who have lost their lives to suicide will never be forgotten.

- The repeated phone number 988 acts as the border and will be printed in **silver foil**.
- Courts are recolored to match the back design
- Tuck box will be elegant while featuring beautiful **foil** on the front
- Pips are outlined in a delicate **blue foil**
- The flowers that the courts are holding will be in striking blue foil, as well
- Two-way back design
- Custom Ace of Spades
- Duplicate Semi-colon jokers (the semi-colon is a well-recognized symbol within the mental health community because it means your story isn't over yet)

Images seen here are mockups intended for promotional purposes. Though they are visually representative of the design, please keep in mind that the final product and colors could differ slightly from what you see
