

Joker Water Spray Lighter by Pen

The **Joker Water Spray Lighter** has a gimmick hidden inside an ordinary disposable lighter. When you normally need to light a cigarette, it will trigger the water spray.

So, you can make full use of it during the performance, use the lighter to make the audience's belongings disappear, or when your friend is about to light a cigarette, you can take out the lighter to play a prank on your friend, both are good choices.

- Recommended accessories for trick comedy magic.
- Unexpected lighter effect.
- Can be used with any process.

Note: The lighter color may vary.
