

Inside Out Blendo by Pilato

Pilato presents **INSIDE OUT BLEND0**, a visual, emotional and surprise-filled magic effect that will delight any audience.

With four monochromatic scarves, each representing an emotion (disgust, anger, sadness and joy), you invite your audience on an emotional journey. Using a change bag (not included), the scarves absorb the audience's energy and... transform into vibrant colors that represent each emotion!

But the real climax is yet to come. Just when everyone expects the scarves to return to their original state, the unexpected happens: the scarves join together, forming a giant scarf that leaves everyone speechless.

Includes:

- 4 monochrome scarves
- 4 colored scarves
- 1 giant scarves
- Multilingual instructional video with demonstrations and options to get a change bag.
- Available to everyone
- Ideal for children, educational and professional magicians
- Easy to perform, but with an amazing impact
