

Midsummer (Standard Edition) - Pokerdeck

Midsummer Playing Cards Standard Edition,

captured this essence by transforming the spirit of Midsummer into a collectible deck, blending art and history into finely crafted cards.

In the Midsummer Playing Cards, each deck comes in a specially designed tuck box with foil and embossing, and includes an extra card detailing its production year, edition, and limited number. Midsummer combines art, exclusivity, and history, perfect for collectors and players who value craftsmanship and legacy.

A tribute to the magic and energy of summer's peak. Celebrated around the summer solstice, Midsummer marks the longest day of the year, a time of outdoor gatherings, bonfires, and feasts. In European traditions, this moment symbolizes the heart of summer, a celebration of light, life, and renewal.

Available for sale is the Standard Edition, featuring a vibrant green color palette.
