

Aces 2.0 - Pokerdeck

Ordinary cards fold, fade, and fall apart. Not **ACES**.

Crafted from 100% premium plastic, these playing cards are virtually indestructible designed to handle thousands of hands without bending, warping, or fading. Spilled drinks? No problem. **ACES** is fully waterproof, so the game keeps going no matter what.

2 deck box set (green + purple)

Built to Last. Engineered to Impress.
VIRTUALLY INDESTRUCTIBLE

Any deck that's "durable" is actually useless if it's a pain to shuffle. That's why **ACES** strikes the perfect balance-thicker than other plastic decks for durability, yet flexible enough for a smooth, controlled shuffle. The textured finish gives you the perfect grip while still gliding effortlessly across the table.

EASY IDENTIFICATION

With 4-color suits (black, red, green, and blue), spotting flushes has never been easier. No more squinting at similar-looking suits-just clean, instant identification.

No Cheap Gimmicks. Just Serious Cards.
Enhanced thickness & textured finish

ACES isn't just another deck, it's the one real poker players' respect. Whether you're playing at home, in a high-stakes game, or collecting premium decks, this is the one you keep in rotation.
