

The magician shows a yellow silk, and after a magical blow, two red silks appear from it, all tied together in a long chain of three colors: yellow, red, red! The magician passes his hand over the silks and, a moment later, the chain rearranges itself with the yellow silk in the center and the red ones at the ends! Finally, the magician displays a star shape, as the silks are now knotted together in the center!

- 100% pure silk.
- This is an original Sitta product, and the quality is excellent.
- The three silks needed for the effect are included, each measuring 45 cm.
