Phantom of the Opera

is part of the Universal Monsters Collection, whichalso features Frankenstein, Dracula, and The Hunchback of Notre Dame. Eachbook works separately or combine them all together for some amazing routines!

Multi-Book Flashback

Phantom lets you know up to a full sentence in any of the other books. Forexample, the spectator chooses a book, chooses any page, and remembers thepage number. She closes the book and picks any of the remaining two books.You already know the first word or up to the whole sentence!

Super Flashback

Instantly know the first word on any page without ever seeing the word! Nothingto memorize, no guessing or misses.

Reverse Book Test

A spectator stops you on ANY page in ANY book and you will know a word on thesame page in Phantom!

Tossed Out Book +

Toss out Phantom or all four books into your audience and instantly reveal thefreely chosen words from five spectators! Or you can perform this with

just twopeople and describe the scene they're imagining along with their chosen words!

Pegasus Page

A built-in version of the classic Pegasus Page that happens in your spectator'shands from beginning to end!
