

Happy Elephant Silk (45 inch) by David Ginn and Goshman

Is it Barnum's Jumbo before he got big? At least he's happy!

Here's a new ORIGINAL DESIGN, thanks to Ken & Mollie Johanson, giving the feeling of child favorites such as Dumbo and Horton. Tell the audience you're going to pull an elephant, not a rabbit, out of your hat. Then produce this guy! "Okay, sorry, it's just a baby elephant! I guess I'm a dumbo!"
