

Quimera Box by Hernan Maccagno

You'll get a real piece of magic art and a terrific tutorial explaining how Hernan fooled Penn and Teller.

Hernan Maccagno not only got the *Fool Us* award with a coin magic routine. He got it giving to Penn and Teller his coins to be checked before and during the performance. So imagine yourself performing and doing the same with your regular audiences and your colleagues.

The set includes:

- **Quimera Box** and one gimmicked coin made by Tango Magic.
- 3 adhesive papers in different color to customizer the gimmick.
- 4 regular half dollar coins.
- Tutorial in English and Spanish.

"In Fool Us he fooled everyone! But he had already been fooling me for years with this wonder. Great Hernan! Great Quimera"
